(Draft – Pending Board Approval)

I. INTRODUCTION ITEMS

II. ACTION ITEMS

B. Bond Payment for DXATC Building Expansion

Commissioner Woolstenhulme briefed the Board on the background of bond payment arrangements for the Dixie Applied Technology College building currently under construction. The Board of Trustees in its 17 September 2015 meeting approved DXATC's Building Funding Plan, which provided for securing a \$5-8 million bond with Washington County and associated repayment. President Stephens and Trustee Wade reported on DXATC's efforts to secure additional non-state funding and build space for automotive programs that had been cut with the original budget. Washington County offered to increase its bond, which would provide DXATC an additional \$1 million for the building.

Motion to approve the bond for \$9 million.
